VERIFIED STATEMENT SUBMITTED TO ADD  
ADDITIONAL INVENTOR

I, Andrew Gutman, actively participated in discussions and made suggestions pertaining to the conception and reduction to practice of the invention described in the claims of the above-referenced patent.

The error in inventorship was made without any deceptive intention and was not discovered until after the application was granted into an issued patent on November 14, 2006.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
